# **Session Plans**

#### **Personal Growth**

#### 10 Sessions | Group Application (90 Minutes) | Group Size: 6 to 9

NOTE: If you are using the entire *Getting It Right* Series, it is recommended that you blend the *Change Plan* Journal into each session and that participants complete a portion of the *Change Plan* in addition to the *Personal Growth* Journal.

# Session 1

#### **In-session Objectives**

Process pages 2-7 (Facilitator Guide pages 22-27). Introduce *Personal Growth* and the topics covered. Understand the ripple effect and work at developing empathy.

# Session 2

#### **In-session Objectives**

Process pages 8-14 (Facilitator Guide pages 28-34). Discuss the ripple effect on the victim's family, society, your family and yourself. KEY: Ask participants to present their letters of empathy.

# Session 3

### **In-session Objectives**

Process pages 15-20 (Facilitator Guide pages 35-40). Learn what is healthy vs. unhealthy in relationships. Understand the importance of honesty, forgiveness, respect, trust and caring.

# Session 4

### **In-session Objectives**

Ask for volunteers to share observations. Process pages 21-27 (Facilitator Guide pages 41-47). Discuss communication styles: passive, aggressive and passive-aggressive.

# Session 5

### **In-session Objectives**

Using a rounds activity, have participants share their communication log entries. Process pages 28-34 (Facilitator Guide pages 48-54). Learn assertive communication and three elements of communication: talking, listening and body language. Identify important relationships.

#### Lifework

Assign pages 8-14. Reinforce importance of writing their letter of empathy.

#### Lifework

Assign pages 15-20.

#### Lifework

Ask participants to observe healthy relationship qualities. Assign pages 21-27.

#### Lifework

Ask participants to keep a log when they see the three communication styles. Assign pages 28-34.

#### Lifework

Ask participants to take a step toward improving one relationship. Assign pages 35-41.

# Session 6

### **In-session Objectives**

Ask for volunteers to share how they are improving important relationships. Process pages 35-41 (Facilitator Guide pages 55-61). Diagram your family today and begin to understand parental responsibility.

#### Lifework

Assign pages 42-49.

### Session 7

#### **In-session Objectives**

Process pages 42-49 (Facilitator Guide pages 62-69). Prepare to reintegrate into the family, look at feelings and behaviors, and examine difficult feelings: sadness, loneliness and resentment.

#### Lifework

Assign pages 50-57.

# Session 8

#### **In-session Objectives**

Process pages 50-57 (Facilitator Guide pages 70-77). Complete difficult feelings boredom, fear and guilt. Begin working on irrational thinking that leads to anger.

#### Lifework

Ask participants to record times they use "should" or "awfulizing." Assign pages 58-64.

# Session 9

### **In-session Objectives**

Ask for volunteers to share their experiences using irrational thinking. Process pages 58-64 (Facilitator Guide 78-84): irrational thinking. Introduce strategies for managing difficult feelings.

#### Lifework

Assign pages 65-71.

# Session 10

#### **In-session Objectives**

Process pages 65-71 (Facilitator Guide pages 85-91): strategies for managing difficult feelings. Create a feelings plan. KEY: Ask participants to share their feelings plan with the group for closure.

#### Lifework

Ask participants to complete page 71 and share it with supportive individuals. Encourage them to keep their *Personal Growth* Journals and practice the skills they have learned.

### **Responsible Thinking**

#### 5 Sessions | Group Application (90 Minutes) | Group Size: 6 to 9

NOTE: If you are using the entire *Getting It Right Series*, it is recommended that you blend the *Change Plan* Journal into each session and that participants complete a portion of the *Change Plan* in addition to the *Responsible Thinking* Journal.

### Session 1

#### **In-session Objectives**

Process pages 2-7 (Facilitator Guide pages 22-27). Introduce *Responsible Thinking* and the topics being covered. Understand where thoughts come from, the power of thinking and learn how to change thinking.

### Session 2

#### **In-session Objectives**

Process pages 8-15 (Facilitator Guide pages 28-35). Learn techniques of slowing down thinking, working backwards and thought-stopping. Begin to identify eight thinking errors.

### Session 3

### **In-session Objectives**

Ask for volunteers to share their thinking logs. Process pages 16-21 (Facilitator Guide pages 36-41). Continue to work on thinking errors that cause us problems.

### Session 4

### **In-session Objectives**

Ask for volunteers to share their thinking logs. Process pages 22-27 (Facilitator Guide pages 42-47). Continue to work on thinking errors that cause us problems.

### Session 5

### **In-session Objectives**

Ask for volunteers to share their thinking logs. Process pages 28-31 (Facilitator Guide pages 48-51). Complete thinking errors and create an action plan for challenging thinking errors. KEY: Ask participants to share page 31, "My review of *Responsible Thinking*" with the group for closure.

#### Lifework

Assign pages 8-15.

#### Lifework

Ask participants to log when they catch themselves using thinking errors. Assign pages 16-21.

#### Lifework

Ask participants to log when they catch themselves using thinking errors. Assign pages 22-27.

#### Lifework

Ask participants to log when they catch themselves using thinking errors. Assign pages 28-31.

#### Lifework

Encourage participants to keep their *Responsible Thinking* Journals and practice the skills they have learned.

### Managing My Life

#### 8 Sessions | Group Application (90 Minutes) | Group Size: 6 to 9

NOTE: If you are using the entire *Getting It Right* Series, it is recommended that you blend the *Change Plan* Journal into each session and that participants complete a portion of the *Change Plan* in addition to the *Managing My Life* Journal.

### Session 1

#### **In-session Objectives**

Process pages 2-7 (Facilitator Guide pages 22-27). Introduce *Managing My Life* and the topics covered. Begin learning 10 good habits for successful living. KEY: Provide participants with *Passport to Action*.

### Session 2

#### **In-session Objectives**

Process pages 8-15 (Facilitator Guide pages 28-35). Continue to learn and apply the 10 good habits for successful living and begin working on taking care of your health.

### Session 3

### **In-session Objectives**

Process pages 16-23 (Facilitator Guide pages 36-43). Think about where you will live, identify your legal responsibilities and begin work on finding employment.

### Session 4

### **In-session Objectives**

Confirm everyone identified their legal issues. Process pages 24-31 (Facilitator Guide pages 44-51): finding employment, going to an interview and identifying financial responsibilities.

### Session 5

### **In-session Objectives**

Ask participants to share their experiences practicing interview skills. Process pages 32-37 (Facilitator Guide pages 52-57): planning, budgeting, time management and creating a daily schedule.

#### Lifework

Assign pages 8-15.

#### Lifework

Assign pages 16-23.

#### Lifework

Ask participants to identify their most pressing legal issues. Assign pages 24-31.

#### Lifework

Ask participants to practice their interview skills with a supportive other. Assign pages 32-37.

#### Lifework

Assign pages 38-43.

### Session 6

### **In-session Objectives**

Process pages 38-43 (Facilitator Guide pages 58-63): coping skills.

#### Lifework

Ask participants to solicit feedback from someone they trust. Assign pages 44-49.

### Session 7

#### **In-session Objectives**

Ask participants to share their experiences soliciting and receiving feedback. Process pages 44-49 (Facilitator Guide pages 64-69): coping skills, continued.

#### Lifework

Ask participants to practice decision-making skills. Assign pages 50-55.

### Session 8

#### **In-session Objectives**

Ask participants to share how decision-making skills helped them make better decisions. Process pages 50-55 (Facilitator Guide pages 70-75). KEY: Ask participants to share their coping skills plans with the group for closure.

#### Lifework

Encourage participants to keep their *Managing My Life* Journals and practice the coping skills they have learned.

Notes:			

### **Maintaining Positive Change**

8 Sessions | Group Application (90 Minutes) | Group Size: 6 to 9

NOTE: If you are using the entire *Getting It Right* Series, it is recommended that you blend the *Change Plan* Journal into each session and that participants complete a portion of the *Change Plan* in addition to the *Maintaining Positive Change* Journal.

### Session 1

#### **In-session Objectives**

Process pages 2-7 (Facilitator Guide pages 22-27). Introduce *Maintaining Positive* Change and the topics covered. Learn that change is a process, not an event.

### Session 2

#### **In-session Objectives**

Process pages 8-13 (Facilitator Guide pages 28-33). Learn about the power of motivation, the give-up effect and the 10 warning signs of returning to old behavior.

### Session 3

# In-session Objectives

Process pages 14-19 (Facilitator Guide pages 34-39): hiding out, blaming others, dishonesty, feeling misunderstood and self-doubt.

### Session 4

### **In-session Objectives**

Process pages 20-25 (Facilitator Guide pages 40-45): getting defensive, lack of interest, neglecting responsibility and intense feelings.

### Session 5

### **In-session Objectives**

Process pages 26-33 (Facilitator Guide pages 46-53): high-risk people and places.

#### Lifework

Assign pages 8-13.

#### Lifework

Assign pages 14-19.

#### Lifework

Assign pages 20-25.

#### Lifework

Assign pages 26-33.

#### Lifework

Encourage participants to learn about meditation. Assign pages 34-39.

### Session 6

### **In-session Objectives**

Ask for volunteers to share what they learned about meditation. Process pages 34-39 (Facilitator Guide pages 54-59): four strategies for coping with warning signs.

#### Lifework

Ask participants to keep a warning signs log and record actions they take. Assign pages 40-43.

### Session 7

### **In-session Objectives**

Have participants share their warning sign logs and any other opportunities they had to practice coping skills. Process pages 40-43 (Facilitator Guide pages 60-63): consequences of not changing and benefits of positive change.

#### Lifework

Assign pages 44-47.

### Session 8

### **In-session Objectives**

Process pages 44-47 (Facilitator Guide pages 64-67): keeping a commitment to positive life change. KEY: Ask each participant to share how they will stay motivated to maintain positive change for group closure.

#### Lifework

Encourage participants to keep their *Maintaining Positive Change* Journals and practice the skills they have learned.

Notes:		

### **Change Plan**

#### 7 Sessions | Group Application (90 Minutes) | Group Size: 6 to 9

NOTE: If you decided not to blend the *Change Plan Journal* into each session as participants completed *Personal Growth*, *Responsible Thinking*, *Managing My Life*, and *Maintaining Positive Change*, you can use the following session plan to facilitate *Change Plan*.

### Session 1

#### **In-session Objectives**

Process pages 2-7 (Facilitator Guide pages 22-27). Introduce *Change Plan* and the topics covered. Learn the stages of change and think about want you want more of in life.

### Session 2

#### **In-session Objectives**

Process pages 8-14 (Facilitator Guide pages 28-34): 10 strategies of change. Work on strategy 1: learn the facts.

### Session 3

### **In-session Objectives**

Ask for volunteers to share their experiences writing and sharing change goals. Process pages 15-21 (Facilitator Guide pages 35-41): strategies 2-5.

### Session 4

### **In-session Objectives**

Ask for volunteers to share their experiences practicing values. Process pages 22-30 (Facilitator Guide pages 42-50): strategies 5-7.

### Session 5

### **In-session Objectives**

Process pages 31-36 (Facilitator Guide pages 51-56): strategy 8.

#### Lifework

Assign pages 8-14.

#### Lifework

Ask participants to write a letter to family/friends about their change goals. Assign pages 15-21.

#### Lifework

Ask participants to practice one of the values they identified on page 21. Assign pages 22-30.

#### Lifework

Assign pages 31-36.

#### Lifework

Ask participants to practice assertive communication. Assign pages 37-42.

### Session 6

#### **In-session Objectives**

Ask for volunteers to share their experiences using assertive communication. Process pages 37-42 (Facilitator Guide pages 57-62): strategies 8-9.

# Session 7

### **In-session Objectives**

Ask for volunteers to share their experience changing negative self-talk into positive self-talk. Process pages 43-47 (Facilitator Guide pages 63-67): strategy 10 and making a commitment. KEY: Have participants share their statements of commitment and "My review of *Change Plan*" with the group for closure.

#### Lifework

Ask participants to practice listening for negative self-talk and replacing it with positive self-talk. Assign pages 43-47.

#### Lifework

Encourage participants to keep their *Change Plan* Journals and continue to practice skills and work their plan.
